Expression of Interest

This Directorate is engaged in survey at farmers field along the road sides in ten states of the country. The job includes detection and establishment of newly introduced quarantine weeds on different locations based on geographical positions, i.e., latitude, longitude and altitude. The firms/companies capable in supplying such equipments/facilities including GPS hand held devices or otherwise which can serve the desired purpose may send the details within a period of one week of issue of this EOI.

The desirous parties may visit web site www.nrcws.org for details of the organization. Further queries may also be made through e.mail address mentioned above.
